5. MEMBERS

5.1 Categories of Membership

- (a) Membership of the Company shall initially be in three classes of members.
- (b) The three initial classes of members are:
- (i) Ordinary Member, being a person that pays the then applicable membership fee shall, subject to this Constitution, be eligible for admission as an Ordinary Member of the Company.
- (ii) Life Member, being a person that has given a sum of money or rendered a level of services in-kind to the Company of such magnitude as the Board from time to time determines worthy of a grant of Life Membership.
- (iii) Life Governor, being a person that has given a sum of money or rendered a level of services in-kind to the Company of significantly greater magnitude than that applying to a Life Member and being a level that the Board from time to time determines worthy of a grant of Life Governorship.
- (c) The Directors may establish classes of members and prescribe and vary the qualifications, rights, privileges and obligations of all classes of membership of the Company.
- (d) Where classes of members have been established, the Directors may, by resolution, reclassify or convert members from one class to another.

5.2 Ordinary Members

Any person that:

- (a) forwards to the Secretary a written application for membership (in the form determined by the Board from time to time) agreeing to be bound by the Constitution, and
- (b) pays the then applicable membership fee, may be admitted as an Ordinary Member by resolution of the Board in accordance with this Constitution.

5.3 Fees

The membership fee payable by each class of Member and the period for which such fee entitles membership, will be determined by the Board from time to time.

5.4 Notification

- (a) Upon the Board accepting the application for membership the Secretary will send to the person confirmation of their acceptance.
- (b) If an application for membership is rejected, the Secretary must, as soon as practicable, notify the applicant that the application has been rejected. In no case shall the Board or the Company be required to give any reason for the rejection of the applicant.

5.5 Commencement of Membership

For the avoidance of doubt, an applicant's membership commences upon the making of a Board resolution to that effect.

Cessation of Membership

A person ceases to be a Member if the person:

- resigns his or her Membership by giving one month's written notice to the Secretary;
- dies; or
- fails to pay any membership fee within 60 days of the due date for such payment
